# we *need* your help!

BECOME A VOLUNTEER AT **Woodford Cedar Run Wildlife Refuge** and we guarantee that you will make a huge difference in the work we do.

We have three goals at Woodford Cedar Run. Volunteers provide an essential resource in time, skill and energy to help us accomplish these goals.

## wildlife rehabilitation

WE TAKE IN ABOUT 4000 injured or orphaned wild animals every year in our wildlife hospital. We utilize about 5000 *volunteer hours* to help care for them.

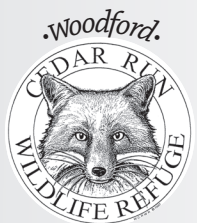

## environmental education

WE REACH ABOUT 19,000 children every year with our nature programs. We also have about 60 permanently disabled resident animals that teach visitors about New Jersey's wildlife.

## habitat preservation

WE ARE LOCATED ON 174 ACRES which are preserved under the Green Acres Program.

**Thank you for your interest & we hope to hear from you!**
