

Woodford Cedar Run Wildlife Refuge

Position: Environmental Education Internship

Host Organization: The Woodford Cedar Run Wildlife Refuge in Medford, New Jersey is a non-profit educational facility specializing in environmental education of 19,000 school children each year and the rehabilitation of approximately 4,000 animals each year. The Refuge is located at the edge of the Pine Barrens, a unique habitat with special protection in southern New Jersey. For more information visit our website at: www.cedarrun.org

Description: We are seeking a highly self-motivated, detail-oriented, individual to implement educational program for general visitors, groups, and members. Assignments will include performing education programs (day camp, school programs, public demonstrations, etc.); assisting in developing new programs, aiding in research for programs and creating exhibits; assisting with special events, and all other aspects of the Refuge. Focus will be centered on developing and executing WCRWR's Summer Camp Programs. Interns will be responsible for keeping a portfolio of their lesson plans. We are seeking one on-site (live-in) intern and one off-site (commuting) intern.

Qualifications: Academic background (college coursework and/or degree preferable) in ecology, education, environmental studies, or some related field; previous experience working with children, preferably in an outdoor setting; strong interest and enthusiasm for the outdoors and sharing nature and the environment with others; good communication skills with children and adults; and willingness to learn and participate in various aspects of refuge work. First-Aid and CPR certification required. Valid driver's license and good driving record required.

Location: Medford, NJ (approx. 17 miles from Philadelphia)

Duration: summer internships last approx. 2-3 months

Start Date: summer internships start end of May beginning of June (dates flexible)
Internship runs from the third week in May through the third week in August.

Hours: full time 40-hour week, some weekends

Compensation: The on-site (live-in) intern is provided with rent-free housing and utilities at the staff house, which is located on the property, and includes a communal kitchen, living area, bedrooms and washer and dryer. Interns will be compensated \$600.00 per month.

Application Procedure: Please send resume, cover letter and two references by March 30, 2010, to Terri Loy, Education Director, 4 Sawmill Road, Medford, NJ 08055. Please specify if you are applying for environmental educational or wildlife care internship. Phone: (856) 983-3329 ext.103. Email address: terri.loy@cedarrun.org. Website: www.cedarrun.org

Woodford Cedar Run Wildlife Refuge

Position: Wildlife Care Internship

Host Organization: The Woodford Cedar Run Wildlife Refuge in Medford, New Jersey is a non-profit educational facility specializing in the environmental education of 19,000 school children each year and the rehabilitation of approximately 4,000 animals each year. The Refuge is located at the edge of the Pine Barrens a unique habitat with special protection in southern New Jersey. For more information visit our website at: www.cedarrun.org

Description: We are seeking a highly motivated, detail-oriented, individual to work in our rehabilitation hospital. Interns will deal directly with the public bringing in animals and will also assist with direct animal care and our environmental enrichment program. Assignments will include; feeding, cleaning and otherwise providing care for injured and orphaned wildlife (this includes dishes and laundry); answering the telephone and giving information; returning animal concern phone calls; greeting people with incoming animals; assisting with special events, and all other aspects of the Refuge. Interns will be responsible for keeping a portfolio. We are seeking one on-site intern and one off-site intern

Qualifications: Academic background (college coursework and/or degree preferable) in wildlife studies, wildlife rehabilitation or related field; knowledge of native species essential; ability to relate to the public in a positive and empathetic manner is key to this position. The successful intern will be well-spoken, friendly, calm and pleasant, must be a self-starter who is flexible, committed to teamwork and able to conduct independent research. Must have good telephone skills, an ability to work in a hectic, sometimes emotional situation and must have a willingness to learn and participate in various aspects of refuge work. Valid driver's license and good driving record required.
