Woodford Cedar Run Guidelines 2020

**** WCRWR MUST have this form ONE WEEK before camp starts!****

Attention Parents/Guardians: Please review these guidelines with your child before camp begins. We will review the guidelines with them again on the first day. These guidelines are set-up to keep your child safe from hurting themselves and others. If you have any issues or any other comments/concerns please contact the Camp Director. Thank You.

Camp Guidelines

- No wandering from the group for any reason. Counselors must know where you are at all times for safety reasons. If you need to leave the group for any reason like a bathroom break a Counselor must go with you.
- No holding/picking up of any wildlife (frogs, toads, lizards, etc.) unless you have the permission of your Counselor. Wildlife is fragile and we do not want to injure it in any way.
- Observe verbal safety guidelines given to you by your Counselor or CIT at all times.
- Practice good listening skills.
- Respect all people, all wildlife, and all property.
- Electronics should not be brought to camp. No cell phones, iPods, iPads, or other electronics please.
- Clean-up after yourself during snacks and lunches. We respect the environment.
- Bring a positive attitude.

Consequences (The 3 Strike Rule)

- * 1st offense: Verbal warning
- * 2nd offense: Time out at the education center and/or report to the Camp Director.
- * 3rd offense: YOU (the camper) call your parents to be taken out of camp for the rest of the day. You are responsible for your own actions.
- * Repeat offenses: Parent meeting with the Camp Director and/or Education Director

I, the undersigned Parent/Guardian of the above minor, have read with my child the camp rules as they are listed above. We understand the consequences for such actions if any violation of the above rules should occur.
