

Adopt-A Wild-One!

Woodford Cedar Run Wildlife Refuge

Cedar Run cares for thousands of animals each year, including 60 resident animals who are unable to be returned to the wild. These animals, known as our Wildlife Ambassadors, are given a second chance at life through our education programs. Your support provides food, shelter and medical care for the sponsored animal and helps provide care for the more than 6,000 wild animals admitted to the Wildlife Hospital each year.

Give the gift of wildlife or treat yourself and help protect the future of New Jersey's wildlife and habitats.

Yes! I would like to Adopt-A-Wild-One!
