

Wine & WILDLIFE

Dear Friend,

Woodford Cedar Run Wildlife Refuge is planning our Annual Wine Tasting Fundraiser on Saturday, July 16th, 2022. This popular event sells out quickly and is covered by local and regional media. It is because of sponsors like you that this event has been so successful in years past.

Woodford Cedar Run Wildlife Refuge is a 501(c)(3) non-profit organization dedicated to the preservation of New Jersey's wildlife and habitats through education, conservation, and rehabilitation, and serves as a community resource on the importance of protecting and enhancing healthy ecosystems for all since 1957.

Our vision for the future is one in which Cedar Run can continue to provide critical treatment and rehabilitation services to injured and/or orphaned wildlife in New Jersey, and that our experience in Wildlife Rehabilitation and habitat protection can continue to be used to educate, inspire, and instill a sense of stewardship in youth and residents throughout the region.

Cedar Run does not receive government funding – we must raise funds through various methods to continue our mission for many generations, including special events like Wine & Wildlife. As a participating sponsor, your organization will benefit from promotion of the event through email outreach, social media, and other efforts directed to the Wine Tasting attendees and beyond, demonstrating your commitment to our wildlife and local communities.

There are four levels of sponsorship detailed on the enclosed page. Please select the level that will best reflect your support. Your tax-deductible sponsorship fee will be used to help support Cedar Run's mission to preserve and protect our native wildlife.

We appreciate your support and are available to answer any questions. Please return your Sponsorship Commitment Form by Friday, June 3rd, so we may begin promoting your business and sponsorship on our print and media based outlets.

Thank you in advance!
Sincerely,

Tracey Bloodworth
Director of Development & Communications
