

Birthday Themes

Owl Stories (Pre-K-K) Our most popular program for the little ones! We will go on an imaginary owl hunt, read an owl story and a visit with one of our resident owls. The fun continues with a visit to the Wildlife Housing Area to see more owls.

A Wise Old Owl? (1st grade+) Guests will meet an owl up-close, dissect owl pellets and visit our Wildlife Housing Area to meet some more owls and other animals that live here.

Critter Clue Caper (1st grade+) Someone stole the keys to the Wildlife Hospital! Follow the clues to search for hidden puzzles along the trail and discover “whodunit.” Solve the case and meet the culprit in person!

Wildlife Rehab (1st grade+) Our animals love to celebrate your birthday too! Learn about how Cedar Run takes care of wildlife. Assist in making enrichment “games” for one of our residents and see your project in action!

Survival (2nd grade+) Do you have what it takes to survive in the wild? Learn some cool ways animals survive in the wild before going on a hike to build a debris hut and discover other skills needed to survive in the forest.

Night Hike (3rd grade+) Guests will be amazed to learn how some animals survive at night. Hike the trail listening for sounds of the night and visit the Wildlife Housing Area. **Program time dependant on sunset time.** *Add a campfire for an additional fee - other restrictions apply so fires must be added at the time of booking.

Raptors and Reptiles (all ages) Can’t decide which animal group is your favorite? You don’t have to! This up-close encounter includes one of our resident raptors (birds of prey) and one of our reptiles too!

Seasonal (June-September)
Bugs and Butterflies (all ages) Creepy crawlies are all around us! Read a story about insects before learning about bugs and butterflies in our own backyards as we grab our nets and explore the trails!

Frog Frolic (all ages) This program will have you hopping! Guests will learn all about these fabulous 4-legged amphibians. We will go on a frog hunt and practice making our best frog sounds!

Snakes and Turtles, Oh My! (all ages) Guests will get up-close and personal with our resident reptiles and go on a hike in search of these scaly friends.
